

November 24, 2015

Dear Auto & Truck Recyclers of IL Association Member,

*The year 2015 is quickly drawing to a close. It's time to renew your membership for the coming year. Our industry is struggling from the economy, and we are at a crucial point where we need to speak up and make a difference. There are more and more unregulated buyers out there forcing us to fight for the very thing that keeps us going, and alive, in this business today. We must take a proactive approach from this point on if we intend to stay in business. This is a battle that can't be fought alone. Strength in numbers will help us regain our ground to stand on. We need to protect our industry, and the association is the way to do that. By working together we can keep you informed because we have the inside knowledge of what's going on, at all times. It is a proven fact that states that take a proactive stance will make things happen. Our industry is in demand in all communities and we need to take control.*

*Please find a renewal form attachment with this letter. If you choose to renew your membership via U.S. Mail, please select the appropriate category/amount to renew your membership. Return the form along with your payment in the form of a check or your credit card information. Please remember to complete the entire renewal form so we can keep our records current.*

*ATRI is now offering our members a new option to promote your business and increase visibility by submitting a description of your business and logo to ATRI that will be featured on our website. All members are encouraged to take advantage of this opportunity by sending your logo and a description of your business, up to fifty words, to [ILLautorecyclers@aol.com](mailto:ILLautorecyclers@aol.com) Please include the phrase "logo & company description" in the subject line.*

*Thank you for your continued support to the Auto & Truck Recyclers of Illinois!*

*Keep Recycling,*

*"The ATRI Board"*

*Michelle*
